

Retire for Less in Costa Rica

Relocation Tours

We appreciate your trust in allowing us to help with some of your decision-making. **The goal of all our tours is to save you time & money, while showing you the possibilities. We do this in 3 ways:**

- by having you contact & speak with other expats in your selected towns when possible,
- by giving you a real sense of what it's like to live in that town, and
- by customizing the experience in order to answer your questions.

We specialize in the western Central Valley -- most often San Ramón, Grecia, and Atenas -- and Lake Arenal, though we have also taken folks to places like Zarcero, Orosi, Playa Esterillos Este, Heredia, Escazu, Santa Ana, Puriscal, and San Jose.

We can customize the tour to see anything you like, but we usually look at options for medical care, a pharmacy, a health food store, a grocery store, cultural activities, a walking tour of the center of town, a driving tour of some of the neighborhoods, and anything else you would like to do. If you want to go to the *feria* (local farmers' market), we should schedule that tour day on a Friday.

We charge \$300 for the full day, plus lunch. There might be a surcharge depending on where you are staying, to cover the extra cost of gas (which is over \$4/gallon here).

Contact us to let us know a little more about your interests and priorities. We would be happy to help you decide whether, or not, Costa Rica is right for you.
